To: Any authorized law enforcement officer
An application by a federal law enforcement officer or an attorney for the government requests the search of the following person or property located in the NORTHERN District of OKLAHOMA (identify the person or describe the property to be searched and give its location): See Attachment "A"
The person or property to be searched, described above, is believed to conceal (identify the person or describe the property to be seized): See Attachment "B"

in the daytime 6:00 a.m. to 10 p.m. at any time in the day or night as I find reasonable cause has been established.
Unless delayed notice is authorized below, you must give a copy of the warrant and a receipt for the property taken to the person from whom, or from whose premises, the property was taken, or leave the copy and receipt at the place where the property was taken.
The officer executing this warrant, or an officer present during the execution of the warrant, must prepare an inventory as required by law and promptly return this warrant and inventory to United States Magistrate Judge Paul J. Cleary (name)
I find that immediate notification may have an adverse result listed in 18 U.S.C. § 2705 (except for delay of trial), and authorize the officer executing this warrant to delay notice to the person who, or whose property, will be searched or seized (check the appropriate box)
